Vegetable Wrap**
[Comfort zone]

Freshen up your body with this rejuvenating scrub. This procedure that leaves exfoliating and smoothing effect is followed by a nutrition vegetable wrap, which tones, re-hydrates, nourishes and revitalises. It enables the skin to regain its elasticity and firmness. This treatment comes with little something extra and which is a revitalizing cream that helps to relieve the strained muscles.

Suitable for stressed skin that has been dried out by the sun.
